

What IS That?

May-June
Winner

Congratulations to the winners of the May-June What IS That? contest. This item is a case for 8-track tapes, and lots of you remember having one and the favorite music it held. The lining tricked some of you who thought it was for storing silver, but those deep slots held those bulky 8-tracks.

The first name drawn and the winner of \$100 is Jill Calhoun of Jonesville.

The second and third names drawn are Frances Mabe of Yadkinville and Sherri Bunton of East Bend. Sherri says, "I have one just like it full of Motown 8 track tapes in the backseat of my 1967 Chevelle

Supersport!" She and Frances will receive a Yadkin Valley Cookbook.

Thanks to everyone who entered, and be sure to keep sending in those entries with your mailing address!

Please be sure to include your name and physical mailing address with your entries. You cannot be the winner if I don't know how to send a prize to you!
